

## **Sapientia Law Group Expands Diverse Team with Attorney Karl Johnson**

Minneapolis, MN – May 12, 2023 - Sapientia Law Group was established in 2011 with a mission to take a different approach to law and the clients they serve. As a women and minority-owned business, Sapientia Law Group prioritizes results-focused strategies, strength through diversity and inclusion, collaboration amongst its team, impact on community, and alternative fee structures to best meet clients' business needs. Since its inception, Sapientia has been recognized as an innovation-leading law firm that also leads diversity, equity, and inclusion by example.

To further build and enhance its team, Sapientia announced the upcoming addition of attorney Karl Johnson to Sapientia's top-notch legal team. Mr. Johnson, an experienced bankruptcy and commercial litigator, brings twelve years of legal experience to the firm. Mr. Johnson is one of only four attorneys in Minnesota to be certified as a Business Bankruptcy Specialist by the American Board of Certification, joining one other such distinguished attorneys, Ken Edstrom, who already practices at Sapientia.

"We are so pleased to have Karl join Sapientia. He not only brings a wealth of knowledge and recognition as an "Up and Coming Attorney to Watch" selected by *Minnesota Lawyer*, but he is also active in the National Asian Pacific American Bar Association, as well as part of the leadership of its Minnesota chapter," said Sonia Miller-Van Oort, a Sapientia Founding Member and its President. "We look for 'full-package' individuals committed to client service, leadership in the community, and a desire to make a difference - Karl fits the bill."

Mr. Johnson will begin practicing with Sapientia Law Group on May 16, 2023.
